Fundriasing BBQ Application

Stoughton Credit Union is committed to building a better community. We aim to provide our current and future members with support and positive change that will benefit our communities.

SCU offers sponsorships and donations to community organizations, activities and events. We do not fund or support events for: Political or religious organizations, conferences, events/organizations that take place outside our trading area and advocacy organizations whose causes are publicly controversial.

Sponsorship applications are accepted throughout the year. If you have any questions email to marketing@stoughtoncu.com- we're happy to help!
