## Save & Thrive Summer Youth Program

Join the Stoughton Credit Union crew for a fun-filled summer with our Save & Thrive Summer Youth Program! Throughout July and August, we'll be hosting exciting activities around the community, giving away awesome prizes, and tossing in some financial literacy too 😊.

We're especially excited to introduce our custom youth journals, designed to help you track your saving and spending, learn about money, and enjoy creative activity pages all summer long. Stay tuned—and get ready to save, learn, and thrive with us this summer!

## 2025 Community Barbecues – Join Us and Support Local!

Since we began hosting our Community BBQs in 2018, Stoughton Credit Union has proudly donated over \$17,000 to local organizations through these events. This year's BBQs will be held on Tuesday, June 17 in Stoughton and Thursday, June 19 in Kisbey—and we'd love to see you there! Enjoy a delicious meal, connect with your community, and help raise funds for great local causes. In 2024, donations supported the Stoughton Royal Canadian Legion and the Kisbey Museum. Want to apply to be a 2025 recipient? Visit the Community section of our website to learn more.

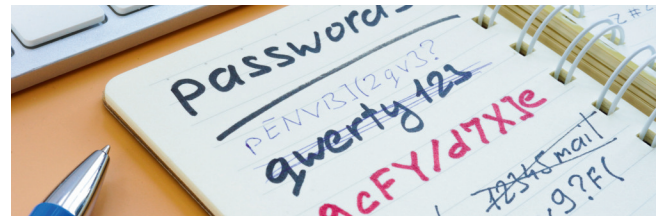

## Limited-Time Offer: Get Your First Year Annual Fee Rebate!

## Strong Passwords

To secure your personal information and online accounts, strong passwords are essential. A good password has at least 12 characters, with a mix of letters, numbers, and symbols. This complexity makes it harder for cybercriminals to crack.

- Use unique passwords for each account
- Update passwords regularly (SCU requires a yearly change)

These practices enhance security and reduce identity theft risks. Remember, a strong password is your first line of defense in the digital world!

Don't wait—summer dreams can't wait, and neither should you! Apply today!

## Your Summer Safety Net

While summer brings fun and adventure, it can also bring unexpected expenses. Now is the perfect time to strengthen your financial safety net! Financial experts recommend having 3-6 months of essential expenses saved for emergencies.

Start small—even \$25 per payday adds up quickly! Consider setting up an automatic transfer to a dedicated Emergency Fund account on each payday.

Already have some emergency savings? Consider reviewing whether it's enough for your current lifestyle and needs.

**Remember:** The best time to prepare for a rainy day is when the sun is shining! Let us help you create financial security that lasts all year long. At Stoughton Credit Union, our savings accounts offer the perfect place to build your emergency fund.
