The account fees will be waived for a total of six months, starting from the account opening date.

Conditions for Maintaining the Waiver

Members have a grace period of 30 days from the account opening date to set up a pre-authorized debit/credit. If this is not established within this period, the account will no longer qualify for the fee waiver.

Failure to meet the eligibility criteria during any month of the six-month period will not result in the reinstatement of the monthly maintenance fee for that month.

Monitoring and Compliance

Members will be notified via phone if discrepancies arise or if eligibility is at risk.
